

SHOW ME THE MONEY

a guide to and through grant-seeking databases

presented by University Libraries & the Office of Sponsored Programs

Find the support you need to pursue your research, scholarship, and creative activities. Faculty and graduate students explore how to get the most from grant seeking databases, including SPIN, GrantSelect, Grant Advisor Plus, and the Foundation Center.

Participants learn to search for possible funding opportunities, practice identifying eligibility, and realize the importance of key words. Attendees will have opportunities to access databases and engage in searches related to their topic of interest. **304 Curry Building.**
